*A learning community where success is expected and celebrated*

14<sup>th</sup> December 2017

Dear Parent,

We are closing the school as a precaution for Friday 15<sup>th</sup> December 2017.

We have been informed today of a reading showing higher than normal levels of legionella within the water system. The reading is close to the threshold level which would require us to clean the system. Therefore the system is being cleaned professionally over the weekend and we are assured that the system will be clear by Monday.

The safety of all our pupils and staff is paramount and this action is in their best interest.

Whilst younger people are not in a high risk group, should your child develop any flu like symptoms we would advise you to seek medical advice from your G.P.

School will be open on Monday 18<sup>th</sup> December as normal.

Yours sincerely

Mr D L R Cole  
Headteacher
