Course Structure

This qualification will give you a broad understanding of the health and social care sector.

The first core unit is externally assessed and gives a solid foundation in human lifespan development. The second core unit will give you an appreciation of the importance of health and social care values in the sector.

It is suitable for those who want a broad background in all health and social care sectors and provides valuable preparation, both for those

who want to progress to higher education as well as for those entering the workplace.

You will also complete 2 optional units from a choice of Effective Communication in Health and Social Care; Social Influences on Health and Wellbeing; Promoting Health and Wellbeing; The Impact of Nutrition on Health and Wellbeing; Equality and Diversity in Health and Social Care; Individual Rights in Health and Social Care.
