INTERNET AND COMPUTER CODE OF CONDUCT

Rules and Etiquette

- Be polite and do not write or send abusive messages.
- Do not use or attempt to use any other pupils' network account.
- Do not give your password to anyone for any reason.
- Use of the school's network is for school use and not to store unnecessary music and other media files.
- The transmission of obscene or abusive messages is prohibited. The sending or receiving of such material from any source will result in immediate suspension of privileges.
- Credit card or any bank detail information must not be communicated.
- Electronic mail or 'e-mail' is not guaranteed to be private. Inappropriate messages can result in suspension of privileges.
- The network is not to be used in such a way as to disrupt the work of other users.
- Vandalism – any malicious attempt to damage network equipment or any other PC, or to destroy the data of another user will result in immediate disciplinary action.
- Violation of the above will result in loss of access to equipment and possibly disciplinary or legal action.
