Dear KS4 Pupils

Starting back to school is stressful enough without coming back after a six month break.

In order to make this easier I just want to give you some information to help you adjust to being back to school.

1. On the first day Year 11 will enter through ENTRANCE 2 and go straight to the canteen.
2. From then on in the morning you will go to your first lesson and enter the classroom as soon as your teacher allows. If you are an early starter year 10 are housed in the canteen and year 11 in the main hall.
3. If you were given a Chrome book or Laptop, please could you bring that back in with you on the first day along with the Charger.
4. Don't forget that the No Mobile phones rule now applies so phones switched off and in your bags as soon as you come into the school building.
5. Water bottles must be brought in from home.
6. You must bring all equipment needed for your day including pens and other equipment with you and you will need a bag because you will not be able to leave things in school.
7. It is vitally important that you bring a waterproof coat as there will be a lot of time spent outside the building walking between lessons.
