CEFN SAESON
COMPREHENSIVE SCHOOL

Dear Parents/ Guardians,

We are very excited to be introducing School Gateway to Cefn Saeson Comprehensive School, which is a parent engagement app that will allow you to communicate with the school and view your child's information at anytime from anywhere.

It is important that you sign up to the School Gateway App as school related communications, newsletters, and attendance messages will go through School Gateway from September 2021, and also first day absences for your child will be sent via this APP.

We potentially will be phasing out the current SIMS parent App from September 2021 and will be sending information such as reports, attendance messages and timetables through the School Gateway in the future, so it is important that you sign up to the App.

To stay up to date with what's going on at school make sure you download the APP for **free**. Just search *School Gateway* in your App store and download.

Your log in details will be automatically generated using the contact information which Cefn Saeson already has on record for you, which will be your mobile number and email address. You can check and change these details by sending an email to Miss Finn at FinnE@hwbmail.net

If you have any questions or would like some more information, please see the School Gateway site here: <https://schoolgateway.co.uk/>.

You can also log in to the online version of School Gateway via this site if you do not have a smart phone, although we do recommend using the APP if possible as it makes it far easier to get hold of parents/guardians when we need to.

Please see over leaf for step by step guide how to sign up to School Gateway.

Kind regards,

D.L.R Cole
