CEFN SAESON
COMPREHENSIVE SCHOOL

'Cefn Saeson aims to ensure that all pupils make meaningful progress in learning and achieve their full potential'

Dear Parent/Carer,

As a school we strive to ensure that the learning experiences we provide support our pupils to be the best that they can be. We are proud to be a research informed school, and, all of our teachers use research to enhance learning for each and every pupil.

We will be undertaking action research that focusses on how learning and teaching styles support pupil progress. As part of our research, we talk to our pupils about how they learn, observe how pupils learn and also ask for pupils' opinions on their learning experiences. These pupil perspectives form a key part of our research. All participants and data collected from any research will be anonymous, and collected data will be stored securely in compliance with GDPR; this is in line with the guidelines set out by the school and BERA.

If for any reason you do not wish for your child to be involved in these activities please email the school at cefnsaeson@hwbcymru.net with your child's name and year group. Alternatively, you can send a letter to the school address.

Please do not hesitate to contact me if you require any further information.

Mr D. L. R. Cole (Headteacher)
