

Work for 16/09/24

Miss R Steele

### **Lesson 1 - 10B/SP1**

If you have your Spanish Grammar booklet at home, please look through and complete any missing work between pages 1-7. Most of you have these booklets at home. I would suggest to most pupils to look at page 7, at the preterite tense, as we need to improve our confidence with this.

Then you should either:

1 - complete the assignments on Sentence Builders under this link

<https://www.sentencebuilders.com/assignment/479254>.

OR

2 - Alternatively, you have the option of writing a 50-100 word essay answering the following question:

Escribe un blog sobre tus vacaciones pasadas.

Tienes que incluir:

- tu opinión de tus vacaciones.
- lo que hiciste durante tus vacaciones.
- un país que te gustaría visitar en el futuro.

**Lesson 2 - 10A/P3** - Mrs Chilcott would most likely have posted on Teams, if not please look back at any work and DIRT feedback and complete the tasks.

**Lesson 3 - 81 Spanish** - European Day of Languages is taking place next week. I would like you to create a piece of work that symbolises the languages spoken in Europe. You could make a Powerpoint to teach us some words in a new language, design bunting to celebrate the different languages of Europe, create a language handbook to help us say hello in different languages or something else! The choice is yours, get creative, Miss Steele can't wait to see what you come up with!

**Lesson 4 - 74 French** - European Day of Languages is taking place next week. I would like you to create a piece of work that symbolises the languages spoken in Europe. You could make a Powerpoint to teach us some words in a new language, design bunting to celebrate the different languages of Europe, create a language handbook to help us say hello in different languages or something else! The choice is yours, get creative, Miss Steele can't wait to see what you come up with!

**Lesson 5 - 9E/EN7** - I would like you to start thinking about designing a dream restaurant menu. You can complete this online or on paper, and save it or keep it somewhere that you'll be able to access at a later date. We will be revisiting this over the next few weeks. You must include photos/drawings of food items on your menu, prices, and a short 2 line description of your foods. You must include at least 8 items on your menus, as well as options for drinks. We will complete a DIRT lesson on this soon.
